## **Holt Reports Raising Over \$55,000 for State Senate Race**

Exactly one year before the 2010 primary, the State Senate campaign of Republican David Holt reported today to the Oklahoma Ethics Commission that it had raised \$55,665 for the campaign, with just under \$50,000 in “cash on hand.” The donations came from 167 donors. The total does not include donations made after June 30.

Holt is seeking the open State Senate seat currently held by Senate President Pro-Tempore Glenn Coffee, who is term-limited in 2010. David’s conservative values, heart for service, experience, and roots in the community make him uniquely qualified to be the next State Senator from District 30. The district covers parts of Northwest Oklahoma City, Bethany, Warr Acres, and the Village.

Holt has spent almost his entire life in the Northwest Oklahoma City area. The son of a retired Putnam City schoolteacher, Holt attended Putnam City schools from kindergarten through graduation. He has been married to Rachel for over six years, and they are active members of St. Paul’s Episcopal Cathedral. Holt serves as a member of the Oklahoma County Republican Party Executive Committee, on the boards of the Northwest Chamber and the Putnam City Schools Foundation, and is active in numerous other community organizations. He currently serves as chief of staff to Oklahoma City Mayor Mick Cornett, previously served in the White House of President George W. Bush, under U.S. House Speaker Dennis Hastert and Lt. Governor Mary Fallin, and several members of Congress from Oklahoma.

Holt officially launched his candidacy June 2. More information on Holt’s Senate campaign can be found at [www.VoteDavidHolt.com](http://www.VoteDavidHolt.com).
